How do you make 2D -> 3D connections in your classroom currently?

JODYMOLLER   JUN 20, 2022 11:48PM

roleplaying particles

bodies - students

Magnets and iron filings to represent electronegativity of an atom.

Food

Plasticine/Playdough

lollies

cutouts

polystyrene balls and toothpicks

minecraft

PhET Simulations

Bluetack and toothpicks

phet simulations

Pipe cleaners to model energy levels (S,p,d,f notation)

Lego

Molymod kits

Molymod

YouTube videos

Balloons
